"BLUE" GIANT CAUGHT

Walter Rusinoski measures the granddaddy bluefish that he pulled in last week. The big blue, fighter to the finish, bit Walter as he tried to disengage the hook. Walter is 12 years old and the son of Mr. and Mrs. Chester Rusinoski of Fairhaven Road, Mattapoisett. The 30", 13 1/2 pound blue was taken with a feather while trolling off Brandt Island.

THREE RACING EVENTS AT MYC

In the three racing events on the Mattapoisett Yacht Club calendar this past week, four skippers chalked up multiple wins: Billy Mee, for the Corinthians, 3 firsts and 1 second; Sue McGowan, 2 firsts, 2 seconds; Harvey Pentleton, 2 firsts, 2 seconds; and Phil McCarthy, 2 seconds and 3 thirds (the latter three in the Beetle Cat Division).

AUGUST JUNIOR SERIES

On Wednesday, August 23rd, the Juniors concluded their '72 schedule with 11 Beetle Cats competing in two races. Laurie Jenney in Ariel and David Covill in Duke shared honors. Phil McCarthy at the helm of Wolf placed second in both races, followed 13 seconds by Meredith Barnes' Gay Lee Ann II and 6 seconds by Laurie Jenney.

EVENING SERIES

Steady 15-mile SW winds prevailed throughout the fourth Evening Series Race on Wednesday, August 23rd, as two classes, Corinthians and Beetle Cats, were entered.

In the Corinthian contest, Jack O'Leary's Quest led during half of the first leg, at which point Billy Mee's Irish Eyes took the initiative to win by 01:17. Don Desautels' We Seven was third.

The six Beetle Cats followed the same 4-legged course: to Mattapoisett Neck

Susan McGowan in Hep Cat scored a 3.5 second victory over Harvey Pentleton's Swamp Fox. Pat Muldoon's Slainte was third.

AUGUST SENIOR SERIES

Saturday, August 26th, turned out to be a very busy afternoon with a make-up race added to both Corinthian and Beetle Cat double headers in the August Senior Series. It was Billy Mee and Tom Clark for the Corinthians and Susan McGowan and Harvey Pentleton for the Beetle Cats.

Light winds, under 10 miles, shifted from SW to a 180° turnabout to NE-E, with varying velocity.

The first and second Corinthian race had much in common. Billy Mee in Irish Eyes was the winner both times, followed by Tom Clark in Blue Chip both times. The third spot in each case was Escape sailed first by William Mee (12 second margin) and then by Myron Lewis.

In the last Corinthian contest, Billy Mee, making a good port tack start, seemed well on his way to a third win, but on the second leg Tom Clark pulled ahead to score by 0:24.

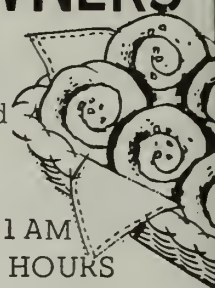

Both divisions were assigned identical courses: 1) to Mattapoisett Neck MYC

The Beetle Cat races developed into closely fought three-sided contests between Susan McGowan, Phil McCarthy and Harvey Pentleton.

In the initial one, Sue Morse in Bit of Luck was first over the line, but before reaching Mattapoisett Neck MYC guide buoy, Harvey Pentleton's Swamp Fox seized and held the advantage until the last leg. Then Susan McGowan's Hep Cat began to narrow the gap and was only :05 astern at the finish. Phil McCarthy's Wolf placed third with a :45 margin.

The second Beetle Cat contest saw Carol McCarthy in Blue Cloud out front to the first marker, where Hep Cat and Swamp Fox came from behind. On the third leg Phil McCarthy tacked in shore and was then in command, with the other two trailing. Again, positions began to shift. At Sunken Ledge Black Can 5, Hep Cat started to gain speed, going on to defeat Swamp Fox. Wolf was a competitive

The final Beetle Cat race repeated the line-up of the first one: Harvey Pentleton, Susan McGowan and Phil McCarthy, but it took much spirited action to bring it about. After quite a bit of seesawing, the end of the second leg found Hep Cat outdistancing both Wolf and Swamp Fox - but not for long! Swamp Fox, pursuing a port tack farther than did the rest of the fleet, got clear air. Meanwhile Susan became blanketed by the Corinthians, thus enabling Pentleton to slip by, with Phil not far behind.

Cover Exhibit Editorial, D.C.J.

The exhibit, last week, by the Mattapoisett Historical Society of my original art work which has appeared on the Presto covers, was the result of the work of several dedicated people of the Society. Miss Jessie Peacock originated the idea. Mr. Charles Mendell, curator; Mrs. Harry Locke and Mr. George Avila arranged the pictures with help from the volunteer young people. The show was extremely well attended and this fact

and the many comments were appreciated, personally. I think that everyone who attended would agree that the lighting and arrangement was excellent and that the choice of historic covers was of general interest.

My thanks to the people of the museum for their effort which was a pleasure to my wife and me and enjoyed by so many.

Angelica Wins Again

Angelica Yacht Club won the Annual Buzzards Bay Beetle Bowl Championship in the series held on Sunday, August 27th, at Chapoquoit. The Club retains the title having won it in 1971. The B.B.B.B. Series was started in 1960.

Representing Angelica in the men's division was Harvey Pentleton, skipper in Swamp Fox with Ed Cornish as crew; women's division, Linda Anderson, skipper, with Bobby Warren as crew in Giff Wiff; Juniors, David Crowley, Skipper, and Kim Meyer, crew racing in Nuisance.

The scores were Angelica 9.25; Cataumet 14.75; Chapoquoit 16.75.

Congratulations to the winners and the club for a fine showing.

LOFT SCHOOL

The Loft School of Marion will open its doors for the 1972-73 season on Monday, September 11th. On the preceding Thursday, September 7th, there will be an orientation coffee hour for the mothers of the children enrolled. This meeting will give the mothers an opportunity to visit the classrooms and become acquainted with their child's teacher. Mrs. Norman Converse and Mrs. Peter Briggs will be teaching the 4 year old classes this year, and Mrs. Burnham Goddard and Mrs. George Evans will be in charge of the 3 year olds. Presently the school has full enrollment; there is, however, a waiting list being compiled. Anyone wishing to place a child's name on the waiting list may contact Mrs. Eivind Strand at 748-1443.

Letter to The Editor

Enclosed is a letter to the editor of the Standard-Times in reply to the recent series of articles on Mattapoisett. Although it is quite long, I felt your readers might be interested in it, and you are welcome to print it.

Richard Macomber

TO THE EDITOR OF THE STANDARD-TIMES

Mr. Fraser's recent series of articles on Mattapoisett started out as a history lesson on the importance of zoning to a small, rapidly growing community but has turned into an unjustified condemnation of one of the nicest newly developed areas in Mattapoisett. The data which the author presented to support his foregone conclusions was inaccurate and ignored certain factors which reduce the importance of these conclusions.

The test sample taken by the town that Mr. Fraser refers to in the article was tested by Oliveira's Laboratory Service in Bridgewater and was part of a pollution

scientifically accurate, but to no avail! The coliform count was not 8.3 million as reported, but was 50,000. The 8.3 million figure referred to the standard plate count, a measure of all bacteria. The difference is significant because the coliform count represents a relatively recent source of pollution. Considering the very small size of the stream, even a passing dog could have been responsible for a coliform count of 50,000.

Another fact which I made clear to Mr. Fraser, but which he chose to ignore, was that the stream was stagnant when the sample was taken. This condition probably accounted for most of the bacteria (the 8.3

million standard plate count), since a stagnant stream acts like an incubator and a few bacteria can increase greatly in number. This is hardly scientific proof that houses a quarter mile away are creating a serious pollution problem. The reporter's own tests show that only a small portion of the total pollution could be attributed to sewerage. From the evidence presented thus far it is very possible that most of the pollution is due to a drainage problem along Ned's Point Road.

The sample taken by me was not, as Mr. Fraser says, "far in excess of the tests taken for analysis by an area laboratory for the Standard-Times". It did, in fact, show less pollution than two of the samples taken by the Standard-Times.

The credibility of the article was further strained when Mr. Fraser referred to three samples taken over a three month period. Is it not true that he never received the results of the coliform counts from two of these three tests and that the five samples referred to in the article were all taken on one day?

In the two cases where the Standard-Times found the coliform bacteria too high to measure, the fecal bacteria was a maximum of 470 per 100 milliliters. The coliform bacteria refers to total non-pathogenic

bacteria. The fecal bacteria is that portion of non-pathogenic bacteria caused by sewage. So if the sewage alone was the only bacteria in the water, it would still be considered safe for swimming by state standards. The rest of the bacteria then comes from other sources such as soil bacteria, etc., which can multiply rapidly in slow moving or stagnant water such as this. In other words the people on Baker's Lane and Tupola Lane had only a minor amount of sewerage in their brook when the sample was taken in August but who would guess that from what has been written?

I fail to see why a newspaper would concentrate on mistakes made before zoning, in a town which has had zoning for five years now. The town of Acushnet still has no zoning! Are we to adopt one and two acre "snob zoning"? Are we to stop all building in wet areas when most of the

town is in this category? Is every builder of nice homes to be declared, as you indicate, "a fast-buck artist"? I think not! Rather, we will strive for reasonable zoning, sewers where they are necessary, and a welcome attitude toward builders who build high quality homes in small quantities to meet the local demand.

DEMOCRATIC COMMITTEE HOSTS CANDIDATES

The Mattapoisett Democratic Town Com-
mittee held an open meeting on Thursday,
August 24th, to hear several State and County
candidates. Candidates outlined their quali-
fications and the issues they were most con-
cerned about in regard to the particular of-
fice they were seeking.

Gerard F. Burke, candidate for Plymouth
County Commissioner, called for a re-
structuring or regionalizing of the County
government. Mr. Burke is a professor of
history at Boston State College and a resi-
dent of Brockton.

Ralph Ruggiero, candidate for Sheriff, is
currently a detective on the Brockton Police
Force. In calling for a safer Plymouth
County, he pointed out that you can't have
law and order without justice. He also
expressed his concern with the antiquated
house of correction and his desire to see
drug abusers go to a hospital and not to
the jails.

Arne Erickson, candidate for State Repre-
sentative, was represented and endorsed
by Matthew Brown of Scituate, a member
of that Town Committee. Mr. Erickson

FATHER GILLESPIE TRANSFERRED

Announcement was made this week of the transfer of Father Frank Gillespie, SS.CC. from St. Anthony's Church, Mattapoisett, to St. Francis Church, Acushnet. Father Gillespie has been at St. Anthony's for the last three years, and he will be greatly missed by his many friends. Reverend Paul Deyo, SS.CC., who will replace Father Frank, is expected to arrive in Mattapoisett during the first week in September.

BOOKLET ABOUT HEART AVAILABLE

"You and Your Heart," a 16-page booklet filled with basic facts about the heart in health and disease, now is available from the Cape and Islands Chapter of the Massachusetts Heart Association.

Using cartoons and simple diagrams in red and black, the booklet defines many technical terms. It also gives advice on reducing the risk of heart attack. The booklet tells how to recognize the early, warning signs and what immediate steps

to take to increase the chance of survival, should a heart attack occur.

"You and Your Heart" explains how the heart and blood vessel system works, what
